**Thank you for your support!**

As we are most grateful for the donations from our friends, please allow us to give you a brief overview on how we spend the contributions.

Since our establishment in 1997, The Kurdish Culture Foundation has sponsored Med TV, Medya TV, Mesopotamia TV and Radio Denge Mezopotamya with substantial amounts.

In 2004, we have also supported Roj TV, a newly established Kurdish satellite TV-channel, which reaches a daily audience of 12 million people in 77 countries. Roj TV broadcasts a wide range of programmes in all Kurdish dialects, ranging from children's programmes, talk shows, news and actuality programmes, movies, documentaries etc.

Kurdish media play a crucial role for the development of Kurdish language and culture. At the same time, Kurdish media act as a public sphere and promote a sense of togetherness for the divided Kurdish community.

We thank you and hope you will sustain your support in the future.

We are currently planning the establishment of a website providing more detailed support about ourselves and the cases we support. In the meantime, you are welcome to contact us for any questions you may have.

Please receive our gratitude with the best wishes for a happy new year!

Best regards,

Sabahat Cilgin  
Chairman of the board, for the Kurdish Culture Foundation
